

PCD AND AEROSOL & DISPENSING FORUM 2012

Packaging Innovation Hub
8 & 9 February, 2012,
Espace Champerret, Paris

23 June 2011, Paris - WorldPressOnline First Call - Wednesday 8th and Thursday 9th February, 2012. Aerosol & Dispensing Forum and PCD (Perfumes, Cosmetics & Design) will be held simultaneously in Espace Champerret, Porte de Champerret, Paris*.

Aerosol Forum becomes Aerosol & Dispensing Forum to meet the growing interest shown by attendees for dispensing technologies: spray, spray of liquid products, pastes and powders. This is the opportunity to bring together all players in cosmetics, aerosols and dispensing technologies on a common platform, each event retaining its own identity.

The conference programs (in progress) will feature:

Aerosol & Dispensing Forum 2012

WEDNESDAY 8 FEBRUARY

- Health & Dispensing Systems
- Paris Aerosol & Dispensing Awards
- Paris Aerosol Restaurant
- Spray technology for cosmetics: recent progress

THURSDAY 9 FEBRUARY

- Innovation Workshop :

- Electronic Spray
- Which AIRLESS for what uses?

- Triggers
- Paris Aerosol Restaurant
- Markets in development: food, technical and niches applications, etc.

PCD 2012

WEDNESDAY 8 FEBRUARY

- Innovation Workshop :

- « e@PCD » when electronics meet cosmetics
- How to write an effective patent suiting your goals?

- Lunch
- Perfumes : packaging innovations

THURSDAY 9 FEBRUARY

- Innovation Workshop :

- Electronic Spray
- Which AIRLESS for what uses?

- Triggers
- Paris Aerosol Restaurant
- Markets in development: food, technical and niches applications, etc.
- Skin care and make up products: packaging innovations
- Lunch
- PCD Awards

The exhibition area, a genuine technological showcase, will bring together more than 1 20 exhibitors, major packaging suppliers (materials, converters, artwork, dispensing, packaging, services and technologies providers). Over 2.000 packaging experts from 40 countries are expected to attend the 2012 edition!

N.B : PCD and Aerosol & Dispensing Forum are moving to Espace Champerret owing to a program of work that is closing the exhibition areas at the Cité des Sciences et de l'Industrie.
