

Cosmetics packaging in focus

Oriex | On January 26th and 27th, 2010 the sixth 2-day PCD Conference will take place in Paris with an accompanying packaging exhibition. In 2009 there were 1,200 visitors and participants from 30 countries at the event, as well as 60 exhibitors. The focus of the PCD 2010 will be on topics such as sustainable development, multi-sensory packaging, active packaging and customisation.
